Mision Project Proposal Form

DaySpringers who would like to support a mission project or begin a mission initiative may use this form to request funds to support the initiative. The Coordinating Council welcomes and encourages all DaySpringers to take mission initiatives and invite the congregation alongside you. Decisions about funding will be at the discretion of the council and will be carefully and prayerfully considered with special attention to how the initiative or project helps the church move forward in one or more of the mission areas explained below.

Please provide a proposal summary using these guidelines. Once you have completed the form, please submit it to the DaySpring Church Council at dayspring@ourdayspring.

1. Title of your mission project
2. Give a brief (150- to 200-word) description of your mission project (goals, activities, and timeline). The Church Council may request to meet with you to gather more information.
3. Please indicate as thoroughly and thoughtfully as possible how your project advances the mission of DaySpring in one or more of these mission areas:

Extend: extend the witness and character of Dayspring beyond the Waco area

Renew: offer our campus as a center of contemplation and retreat, rest and renewal

Serve: involve our lives with those most at risk in Waco

Share: explore intentional missional communal living

4. List the DaySpring members who will lead your project. Please indicate each one's role.
5. Provide a draft budget. As a rule of thumb, the budget total should be between \$250 and \$1000, though larger amounts have been approved for more complex initiatives. If your project requires more financial support or a longer time, please explain the reasons. The Church Council may quest a complete budget with specific dates and recipients or vendors for each payment.
6. Your contact information, signature, and date
